ROAD DEPARTMENT NEWS

We will be blade leveling Galehouse Road sometime this summer.

You probably noticed the new township road signs. The road department is busy installing the new signs.

NEW HIRE

Chippewa Township Trustees hired Randy Miller for the part-time position on the road department. He graduated 2009 from

Chippewa High School and is a local farmer.

ZONING-DID YOU KNOW

To check with the zoning department for our zoning requirements before you begin your project.

Contact our zoning inspector, Craig Thoricht at 330-351-1050 or the township office.

HOUSE NUMBER SIGNS

You may order by calling the township office or email your request to: info@chippewatwp.com

The cost is \$10.00 per sign. Let us know if you would like your sign vertical or horizontal. If you need a post, our fire personnel will place a vertical sign on the post and will install it for you.

BOARD OF ZONING APPEALS AND ZONING COMMISSION OPEN POSITIONS

We are looking for interested township residents in the unincorporated area to serve on both the Chippewa Township Board of Zoning Appeals (these folks police the Resolution) and to serve as alternates on the Chippewa Township Zoning Commission (these are the folks that design the Resolution). Members of both boards are paid and have a five year term. Should you be interested, please stop by the Township office and

see our Administrative Assistant, Darlene Smith. She can answer questions and provide you with an application.
