Alt. \_\_\_\_\_

**Location and description of road boring:**

Name of road right-of-way to be crossed \_\_\_\_\_  
Name of nearest right-of-way \_\_\_\_\_  
C/L of nearest right-of-way to C/L of right-of-way \_\_\_\_\_ feet N E S W  
Diameter of line to right-of-way \_\_\_\_\_ inches  
Type of line to right-of-way \_\_\_\_\_ (i.e. plastic, steel, etc.)  
Function of right-of-way \_\_\_\_\_ (i.e. sewer, phone, etc.)  
Estimated cost of installing road boring \$ \_\_\_\_\_  
(must include cost to \_\_\_\_\_ )

Dates work will be done: From \_\_\_\_\_ to \_\_\_\_\_

- Attach a map showing the proposed location for the road crossing and the areas of work within the road right-of-way.
- Attach construction drawings showing the method of installing the pipeline within the township road right-of-way, and the materials to be used and the method and matter of boring under the road.
- Attach a restoration plan to show how the areas to be disturbed by the construction activity will be restored to the pre-crossing condition, including repaving, if needed.
- Attach a surety bond, cash deposit or other financial guarantee as approved by the Board of Trustees in favor of Chippewa Township in an amount to be determined by the Board of Trustees to be adequate to insure protection of the public rights-of-way from damage and to provide for proper performance and adequate restoration based upon the extent of the work to be performed within the township rights-of-way. The township trustees may obtain the advice of the county engineer in this regard.
- Attach a plan indicating adequate provisions for the maintenance of traffic during construction activities and for the protection of road boring any excavations during non-working hours and a copy of the contractor's liability insurance in an amount commensurate with the extent of work to be performed within the township naming the township as an added insured and indemnifying the township from any liability, whatsoever.

**Road boring specifications and scope of work:**

Will bore hole be: same size as the line or bigger?

If bigger, how will void be filled? \_\_\_\_\_

Will boring work holes be in the right-of-way? Yes No. If yes, complete below.

Entry side:	Offset from edge of pavement	_____	feet
	Width	_____	feet
	Depth	_____	feet
	Length	_____	feet
Exit side:	Offset from edge of pavement	_____	feet
	Width	_____	feet
	Depth	_____	feet
	Length	_____	feet

**Fee and approval:** Permit Fee Amount \$50.00 Fee for pipe \$ \_\_\_\_\_  
Cash - Check No. \_\_\_\_\_ Cost is \$100.00 per inch of diameter of the pipe. Size of pipe \_\_\_\_\_ in diameter
