State Route 21 Culvert Repair Project

WAYNE COUNTY (Tuesday, September 27, 2022) All outlined work is weather permitting.

State Route 21 culvert repair project - State Route 21, south of Clinton Road, will have single lane closures for a culvert repair project. Crews will be rehabbing the existing culvert under SR 21 using structural liner and other miscellaneous repairs.

NEW IMPACTS

- **Galehouse Road, that runs under SR 21, will close Monday, October 3, as part of the SR 21 culvert repair project. The detour route will be Galehouse Road to Hametown Road, north on Hametown Road to Clinton Road, east on Clinton Road to Cleveland Massillon Road, south on Cleveland Massillon Road to Hickory Street, west on Hickory Street that turns into Galehouse Road. Estimated completion: Tuesday, October 25, 2022.**

Estimated completion of entire project: October 2022
